Dear Colleagues,

We are really happy to announce you about the interest of some of your students/young coaches into our Intensive Course “**Coach Training**” which will be held in January 4-15, 2012 within the framework of NordPlus project.

The participants of the Course will receive the newest information in coaching based by modern research in Sports Science in Lithuania.

The participants will obtain not only theoretical skills, but will be able to use the theory and concepts practically (see program <http://www.lkka.lt/index.php?cid=11874>), they will be given a possibility to identify talented athletes while using modern coaching technologies, they will be trained to prepare athlete for competitions by planning, organising, conducting and evaluating the appropriate programmes and sessions.

Theoretical knowledge will be followed by practical sessions, demonstrations of the newest methods and concepts in coach training.

Practical information:

The selected participants within the Nordplus project will be accommodated at the hotel and receive partial lodging as well as travel expenses will be covered by the project.

The participants, who are selected not in the framework of the project, have to pay the fee for 300 Eur (for printed handouts, course work and examination) and also will receive accommodation and lodging as well as travel expenses will be covered by the project.
